

Knurling Special

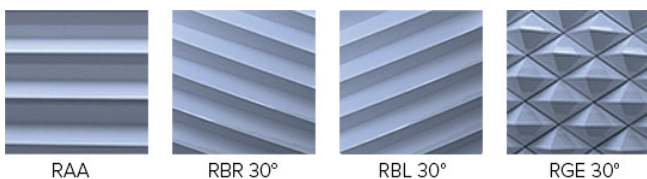

BUY ONE HOLDER GET TWO WHEELS FREE!

Platinum Tooling is excited to offer QUICK Knurling Tools for Swiss-type lathe applications! In fact, we are so excited to share this high-quality knurling system with you, we are offering 2 free wheels with the purchase of a knurling tool.

This low-profile straddle knurling tool keeps interference to a minimum. The 2 wheel design, offered in 2 sizes, is appropriate for a range of workpiece diameters from 0-20 mm.

With this offer, the following profiles and pitches can be achieved; other profiles available for an additional cost.

Profiles available:

RAA

RBR 30°

RBL 30°

RGE 30°

Pitches available:

- .6 mm = 42 TPI
- .8 mm = 32 TPI
- 1.0 mm = 25 TPI

These easy-to-use tools are suitable for use on machines such as Citizen, Star, Tsugami, Tornos, Hanwha, Nomura, and more.

Hommel + Keller, a global leader in high-end Knurling & Marking Tools, manufactures the QUICK brand with a combination of function and innovation. QUICK is used wherever absolute precision and first-rate surface quality are needed.

For more details on this special offer, please email us at info@platinumtooling.com or call us at (847) 749-0633. We look forward to hearing from you!

Offer valid on part # F751, QUICK Straddle Style Form Knurling Tool, through December 31, 2023.
